Sir:

Pursuant to 37 CFR 1.56, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO-1449. Unless otherwise indicated herein, one copy of each foreign reference is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. Applicants respectfully request the Examiner return an initialed copy of the enclosed Form PTO-1449 to Applicants with the next Office communication to indicate that the references have been considered, per MPEP § 609.

This Information Disclosure Statement is being filed more than three months after the U.S. filing date, but before the mailing date of the first Office Action on the merits or the Notice of Allowance.

Pursuant to 37 C.F.R. §1.98(a)(3)(i), the undersigned provides the following statements of relevance for each non-English document listed on the attached PTO-1449.

1. JP 2000-173181 describes how to secure a data transfer rate based on a maximum bit rate while outputting a recorded multiplexed stream by detecting the maximum bit rate of the multiplexed stream and recording the rate with the stream on a recording medium.
2. JP 11-275519 describes how to record extracted data among signals where a plurality of data are time-division multiplexed.
3. JP 11-275524 describes how to extract and record one program data from plural program data multiplexed by a transport stream(TS) system and to reproduce the recorded program data with high accuracy.

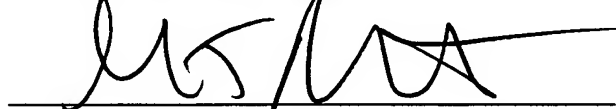

In addition, the undersigned supplies copies of English abstracts for each of these references. The abstracts provide additional details concerning the relevance of the references to the application. Also, the undersigned supplies a copy of the Japanese Office Action that caused the references to be cited. The Japanese Office Action provides still further details concerning the relevance of the references to the application.

I hereby certify that each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. 37 CFR 1.97(e)(1).

In addition, I hereby certify that each enclosed document listed on the herewith Form PTO-1449 was first cited in any communication from a foreign patent office in a counterpart foreign counter part application in the attached Japanese Communication (Office Action) issued February 20, 2004, i.e. not more than three months ago. An English language version of the foreign office action and English-language Abstracts are attached for the Examiner's information.

Respectfully submitted,
